

Plastic Surgeon

Position Summary

Within the context of a patient and family-centered model of care, and in accordance with the Mission, Vision, Values and strategic directions of Providence Health Care ("Providence"), we are seeking a qualified plastic surgeon comfortable with general plastic surgery trauma and reconstruction to join an existing group plastic surgery clinical service contract. The services will be primarily provided at St. Paul's Hospital, Vancouver General Hospital and UBC Hospital. Together with the University of British Columbia Division of Plastic Surgery and the University of British Columbia Department of Surgery, the plastic surgeon will be involved in undergraduate, post-graduate and continuing medical education programs.

Available resources include access to the main Operating Room, Minor Treatment Room, and a hospital-based clinic.

Applicants must be certified in Plastic Surgery by the Royal College of Physicians and Surgeons (Canada), and be eligible for licensure by the BC College of Physicians and Surgeons. Training and/or experience in surgical and non-surgical treatment of facial nerve palsy, facial re-animation will be an asset.

The successful applicant must qualify for and will be recommended for a Clinical Faculty Position in the University of British Columbia, Department of Surgery. They will be expected to be involved in clinical teaching at all levels and research.

Hours/Overnight Call Requirements

On-Call Hours Call responsibility shared with the group as 1.0 FTE

Hours of Work 2400 hours per year = 1.0 FTE

Qualifications

Current College of Physicians and Surgeons of BC (CPSBC) License (Full), Canadian Medical Protective Association (CMPA) (Mandatory), Fellow of the Royal College of Surgeons of Canada (FRCSC) (Mandatory), Surgical Skills (Mandatory)

Why PHC

Providence is a non-profit Catholic organization that provides services in partnership with Vancouver Coastal Health and the Provincial Health Services Authority. At Providence we embrace compassionate care, social justice, and innovation while delivering medical services to vulnerable populations across Vancouver and its neighbouring communities. As we look towards the future, we are led by four strategic pillars: quality-forward, people-forward, learning-forward, and partnerships-forward. We invite you to join us as we work towards building the future of healthcare in British Columbia.

How to Apply

Equity, diversity and inclusion are essential to delivering exceptional care and to establishing a welcoming work environment. Providence Health Care is committed to building a culture of equity, diversity, and inclusion where the staff and Medical Staff – both current and prospective – feel welcomed, valued, and supported to thrive in their work. We encourage physicians from all backgrounds to apply.

We are committed to building a representative workforce and encourage applications reflecting diversity of sex, sexual orientation, gender identity or expression, racialization or ancestry, disability, political belief, religion, marital or family status, age, and/or status as a First Nation, Metis, Inuit, or Indigenous person.

To formally apply for the position, please create a Health Match BC profile at <https://www.healthmatchbc.org/Register.aspx> and your account will then be assigned to one of the Health Match BC recruitment consultants. Please ensure that you upload your current CV and compose a message to indicate which position you are applying for. Additionally, please attach the following required documents for your application: a cover letter and three professional references. The position will remain open until it is filled.
