Vancouver Coastal Health and Providence Health Care

Request for Locum Tenens Renal Transplant Surgeons

Vancouver Coastal Health and Providence Health Care, in partnership with the Provincial Health Services Authority (BC Transplant), invite expression of interests for locum tenens Renal Transplant Surgeon positions with the Departments of Urology and Surgery and at Vancouver General and St. Paul's Hospitals. The service coverage time required varies in the coming months.

The successful candidate will have advanced training and skills in renal transplant surgery, including peri-operative care. The individual will be presently capable of independent renal transplantation, including peri-operative care of renal transplant patients. The successful candidate must hold a certification in Surgery from the Royal College of Physicians and Surgeons of Canada or equivalent, have completed fellowship training in renal transplantation, and have or be eligible for licensure by the BC College of Physicians and Surgeons.

Remuneration: A clinical services per diem, and travel and accommodations to be determined as necessary

Invitation Period: Open

Please send a letter of interest, detailed CV, and the names of three references to:

Donna Sangster

Manager, Talent Acquisition, Medical Staff and Executive Leadership

Vancouver Coastal Health and Providence Health Care hire on the basis of merit and are committed to employment equity. We encourage all qualified persons to apply.

Vancouver Coastal Health and Providence Health Care is strongly committed to diversity within its community and especially welcomes applications from visible minority group members, women, Aboriginal persons, persons with disabilities, persons of any sexual orientation or gender identity, and others who may contribute to the further diversification of ideas. Citizens and permanent residents of Canada will be given priority.

Provincial Health Services Authority believes in how we show up; our behaviours and way of being, which will propel us forward through the following values: respecting people, being compassionate, daring to innovate, cultivating partnerships, and serving with purpose.
