Endocrinology & General Surgery led by Dr. Sabrina Gill

**See more on medical staff engagement opportunities [in all four MSA-PASS Pillars here.](#)**

Six funded interdisciplinary meetings have been held by Anesthesiology, Orthopaedics, Palliative Care, Paediatrics, Infectious Diseases, and Endocrinology, with Drs. Janny Ke, Alastair Younger, Rose Hatala, Clementine Tang, David Harris, and Sabrina Gill as leads.

A total of 48 medical staff colleagues engaged in the first round of Connections. Groups reported the meetings met their goals and were a worthwhile use of time.
